Matthew Bourne's Swan Lake returns for its 30th anniversary with a 2024/25 UK tour.

This audacious reinvention of Tchaikovsky's masterpiece caused a sensation when it premiered almost 30 years ago and has since become the most successful dance theatre production of all time. Thrilling, bold, witty and emotive, this genre-defining event is still best known for replacing the female corps-de-ballet with a menacing male ensemble, which shattered convention, turning tradition on its head. Tickets are available now for Matthew Bourne's Swan Lake. For full details, visit [new-adventures.net](http://new-adventures.net)
